Free balloons
& bubbles!

Shiplay Medical Practice

Saturday 11 Feb, 9am – 12.30

Kids,
come in your
best fancy
dress outfit!
Free goodies
available!

Bring your child to get the flu vaccination and learn about what OTHER services we can support you with caring, keeping your children healthy and happy along with support for your child at times of illness.

The latest evidence from UK Health Security Agency suggests the nasal spray vaccine may help reduce the rate of contracting the Strep A infection.
